CALL TO ORDER OF REGULAR MEETING:

Mayor Fraser called the regular meeting to order at 7:00 PM.

AGENDA AMENDMENTS/APPROVAL:

- a. Alex Vanegas requested that item 9b Nursery Avenue Roadway and Drainage Improvements be removed from the agenda due to procurement thresholds. Mayor Fraser approved the request.
- b. Danny Davis reminded Town Council that item 9e Request from Lovettsville – Support of Local Bus Route has been added to the agenda via a supplemental meeting agenda.

PROCLAMATIONS/RECOGNITIONS:

None

PUBLIC HEARINGS:

None

PRESENTATIONS:

a. Town Marketing Video

Daniel Abramson, Chairman of the Town's Economic Development Advisory Committee, gave a presentation about a proposed marketing video for the Town.

Mr. Abramson noted that the next step are approval by Town Council followed by video topics to be determined by Town Council as well as the table of contents, review of documents, and questions and answers by Sally Hankins, and procurement considerations.

Council member Lehr expressed her concerns with the number of businesses in Town and the number of advertising spaces available on the video. Rob Lohr suggested a rotating schedule of businesses.

Mayor Fraser added that he feels there is general interest from Council with some questions and concerns and asked that this be brought back to the next meeting for decision to allow Council time to ask questions to the EDAC and staff.

CITIZEN/BUSINESS COMMENTS:

Mayor Fraser granted three minutes for each speaker.

Kelli Grim of Devonshire Circle thanked EDAC for their presentation and talked about the calendar that the Town used to distribute. Ms. Grim also talked about Town businesses listed on the Town's website in the past and the PBA link taking its place as well as concerns for the Town not promoting those with business licenses.

Ms. Grim talked about the text amendment and the cost of special use permits, and talked about and supported the Environmental Sustainability and Tree and Beautification Committee.

MAYOR AND COUNCIL COMMENTS:

Council member McCollum welcomed Melanie Fuller to Council. Council member McCollum stated the Planning Commission was pleased with the attendance at the two opening sessions for the comprehensive plan review and revision, and feels the attendance numbers are higher than actually captured due to some not signing in for each session attended.

Council member Fuller stated she enjoyed the EDAC presentation and added she was on the committee for two years and this was being worked on then as well.

Council member Nave welcomed Melanie Fuller and thanked Daniel Abramson for his work on EDAC. Council member Nave stated he and Vice Mayor McConville have been working on their Fund the Future initiative and continue to look to Rob Lohr and Alex Vanegas for information.

Council member Lehr stated she sat in on a PBA Board Meeting today and talked about the changes to the PBA including forming committees, and thanked Alex Vanegas for his efforts around the community.

Vice Mayor McConville welcomed Melanie Fuller to Council. Vice Mayor McConville stated he met with VDOT to talk about the Rt. 7/690 interchange and Rt. 7 eastbound traffic.

Council member Jimmerson welcomed Melanie Fuller, and added that on February 10th she attended the artist reception at Town Hall, and on February 12th attended the County's Transportation and Land Use Meeting where the Northern Collector Road was discussed. On February 17th, Council member Jimmerson attended Visit Loudoun's facilitated input session. Council member Jimmerson noted the Purcellville Crossroads Charrette scheduled for next Thursday.

Mayor Fraser welcomed Melanie Fuller, and stated he attended the Blue and Gold Banquet. Mayor Fraser noted there have been requests for the report about propane versus natural gas which he will forward to Council and the community in a week.

DISCUSSION/INFORMATIONAL ITEMS:

a. Public Safety Reports

Chief McAlister made a correction to her report and noted there were zero Trespass-School Property W/I to Abduct Student and there were two Trespass on Church or School Property. Chief McAlister added that Corporal Vasconi and Sargeant Dinkins are attending the IACP Leadership training.

b. Public Works Monthly Operations Report

Mayor Fraser stated that he was approached by Scott Fairfax who noted the HOA owns a 3-acre piece of land where they may be a well, and would be willing to work with the Town to explore the opportunity. Alex Vanegas noted the request should be made to the Town for further investigation.

c. Personnel Update

This item was not discussed.

d. Makersmith

A presentation as well as discussion on this item took place at the previous Town Council meeting about a Makersmith shop opening in Purcellville. Vice Mayor McConville referenced a message on social media of a shop opening in Round Hill and asked about the impact that may have on a Purcellville location. Council member Nave stated he would like to see the Purcellville facility as a working facility and not just a warehouse. Council member Lehr added the Town is not zoned in that area for the use and would like to understand what will go into it as well as their intentions for the space. Mayor Fraser stated he would like to capture all of the questions from Council to forward to Makersmith for answers. Council member McCollum talked about the many steps to be taken which will take time as well as the expenses and the concerns for this maybe being low revenue generating as well as the requested terms. Council member Jimmerson talked about the opportunity of bringing people into Town.

Rob Lohr suggested that each Council member send their questions to him in an email and will forward to Makersmith.

Mayor Fraser believes this idea has a potential to be an incubator of new businesses that would direct potential venture capital to the Town.

e. Environmental Sustainability and Tree and Beautification Committee

Mayor Fraser talked about the need for committee members on the Tree and Beautification Committee as it currently has one member. After meeting with that member, a vision and mission statement was created and a plan was put together as to what the new committee should be. This information was sent to the committee member for review. Mayor Fraser added that Council made a decision previously that the committee should be under the Parks and Recreation Advisory Board rather than Town Council, and noted that over a year later no action has been taken. Mayor Fraser stated he called some individuals within the Town that are passionate about this, and formed a committee not knowing this required Council approval because the Tree and Beautification Committee was a standing committee.

Council member McCollum referenced the Town code about the Tree and Beautification Committee and does not feel Environmental Sustainability needs to be added to the committee name, and questioned why the named volunteers did not volunteer to serve on the Tree and Beautification Committee sooner.

Council member Jimmerson stated she feels that by having both names in the title will attract more interest. Mayor Fraser summarized by stating to leave the Tree and Beautification Committee in place and roll the environmental committee into it. Council member McCollum stated the code has a series of responsibilities with the Tree and Beautification Committee and it may be easier to add some elements such as environmental sustainability.

Council member Lehr stated she has no concerns with joining the two committees together. Council member Lehr talked about rules on tree removal that was put together years ago. Rob Lohr summarized the ordinance. Council member Lehr suggested that applications be submitted so that applicants go through the same process as other committees, commissions and boards.

Dan Galindo added that the Tree and Beautification Commission is listed by name repeatedly in the zoning ordinance under the landscaping section, and added that one of the main responsibilities of the committee is to maintain the Town's tree and shrub list.

Mayor Fraser stated he agreed to keep the Tree and Beautification Committee and merge the vision of both but just have the one committee. Danny Davis noted the duties of the committee which include to assist with such other duties as assigned. Mayor Fraser requested that Sally Hankins review the mission and vision statement.

Council talked about the appointment process and having those interested submit applications then interview each applicant. Vice Mayor McConville suggested running an ad to see if there is anyone else interested in interviewing. Sally Hankins added the code provision gives the authority to appoint up to seven people on the committee, and added the code will need amended for the Purcellville Arts Council and can be done so for other committees at the same time.

Council member Nave added he feels the members should be interviewed to stay consistent with the way members are added to other committees.

f. Paving Recommendations

Alex Vanegas summarized the staff report and the provided list of repairs and paving recommended by staff with many linked to capital improvement projects. Rob Lohr noted that 26th Street between J and K is in need of repair. Alex Vanegas stated he would confirm with Jason Didawick.

ACTION ITEMS:

a. Zoning Ordinance Text Amendment OA15-03 to Increase the Maximum Enrollment of a Residential Child Care from Six to Twelve

Daniel Galindo referred to the note on page 50 in the agenda packet that includes a minor change to the ordinance, and added that all of the changes from the last meeting have been incorporated into the ordinance.

Council member Jimmerson made a motion that the Purcellville Town Council adopt Ordinance No. 16-02-01, as set forth in the Staff Report, ordaining text amendments to Articles 4 and 15 of the Zoning Ordinance, for the reasons stated therein. The motion was seconded by Vice Mayor McConville.

Council member McCollum noted that the amendment request came from one applicant and that the Planning Commission believes it is a bigger issue than just the one community, and approached other jurisdictions to see how they handled the same request and added they came up with a list of standards that the applicant would have to meet which then would go to the Board of Zoning Appeals. Council member McCollum stated he feels there needs to be some local controls and voted against the process.

Council member Lehr added that in the Town's ordinance the HOA must give permission to use the community's amenities including parking spaces. Daniel Galindo added that the HOA does have to provide consent to use the playground however does not need to consent to the use being there. If the HOA does not permit residential child care, it would go to the BZA who would authorize it however the final decision stands with the HOA.

Mayor Fraser stated he does not see a significant risk.

b. Nursery Avenue Roadway and Drainage Improvements

This item was removed from the agenda via an agenda amendment.

c. J Street Drainage Improvement – Construction Contract Award

Alex Vanegas summarized the staff report and stated the lowest bidder failed to provide five key elements with their bid and as a result their bid was removed for consideration. Alex Vanegas requested that Council approve the contract with TJT Corporation.

Council member Lehr expressed concerns with the high contingency and Alex Vanegas clarified that with drainage projects there are a lot of unknowns and the contingency would cover those.

Mayor Fraser asked if the quote is negotiable and Alex Vanegas noted that it was competitively bid.

Vice Mayor McConville made a motion that Town Council approve of and authorize the Town Manager to execute a Contract with TJT Corporation for the J Street Drainage Improvements for the base bid amount of \$128,929.14, and also approve a 25% contingency of \$32,232.28 for use on the project. The motion was seconded by Council member Lehr.

Mayor Fraser requested that Alex Vanegas obtain a project plan from the contractor to see the project step by step in order to become knowledgeable on the project.

TOWN OF PURCELLVILLE

IN

LOUDOUN COUNTY, VIRGINIA

ORDINANCE NO. 16-02-01

PRESENTED: FEBRUARY 23, 2016

ADOPTED: FEBRUARY 23, 2016

AN ORDINANCE: AMENDING ZONING ORDINANCE ARTICLE 4, SECTION 1 AND ARTICLE 15, SECTION 2 TO INCREASE THE MAXIMUM ENROLLMENT OF A RESIDENTIAL CHILD CARE AND ADD STANDARDS FOR THE USE.

WHEREAS, the Town Council of the Town of Purcellville, Virginia states the following as its recitals and findings:

- R1. On September 30, 2015, the Town of Purcellville received an ordinance amendment application, coded as OA15-03, requesting a text amendment to Article 6, Section 7.1 of the Zoning Ordinance for the Town of Purcellville, Virginia to increase the maximum enrollment of a "Residential Day Care" or "Home Child Care" from six to twelve in all zoning districts.
- R2. The Planning Commission held a duly-advertised public hearing concerning OA15-03 on November 19, 2015 and then requested that Town staff prepare alternative regulations fulfilling the intent of OA15-03 while including additional standards.
- R3. The Planning Commission reviewed the alternative regulations at its December 3, 2015 meeting and directed staff to incorporate specific changes.
- R4. The Planning Commission held a duly-advertised public hearing concerning

AN ORDINANCE: AMENDING ZONING ORDINANCE ARTICLE 4, SECTION 1 AND ARTICLE 15, SECTION 2 TO INCREASE THE MAXIMUM ENROLLMENT OF A RESIDENTIAL CHILD CARE AND ADD STANDARDS FOR THE USE.

the alternative regulations on January 7, 2016.

- R5. The Planning Commission voted at its regular meeting on January 7, 2016 to recommend approval of the alternative regulations.
- R6. The Town Council conducted a duly-advertised public hearing concerning the alternative regulations on February 9, 2016.
- R7. The Purcellville Town Council finds that the Zoning Ordinance text amendments set forth in this Ordinance are required to serve the public necessity, convenience, and general welfare, and constitute good zoning practice because the amendments:
 - a. Fulfill the basic intent of OA15-03 while ensuring any future Residential Child Care is harmonious with its surroundings;
 - b. Are partially to generally supported by the *Financial Planning for the Future, 2025 Economic Development Guiding Principles* and *2025 Land Use Policies* sections of the Purcellville, Virginia 2025 Comprehensive Plan; and
 - c. Are generally supported by the purpose statements of the R-2, R-3, R-8 and R-15 Zoning Districts where a Residential Child Care is most likely to be located.

NOW THEREFORE, the Council of the Town of Purcellville, Virginia hereby ordains:

SECTION I. That the following Articles and Sections of the Zoning Ordinance for the Town of Purcellville, Virginia are hereby amended to add all underlined text and to remove all strikethrough text as follows:

~~distance from all property lines to the existing or proposed building, structure or addition, shown to the nearest foot.~~

4. If a residential child care proposes to utilize a parking space, park, playground, or any other facility owned by a HOA to meet any requirement of this ordinance, the applicant shall provide the Town with certified documentation from the HOA stating that the residential child care is authorized to use such facility. HOA documentation shall only be considered certified if printed on HOA letterhead or signed by an officer or employee of the HOA and notarized. The dimensions and size of all outdoor recreation space and the location of such space in relation to all lot lines.

iii. Public Notice Requirements. Prior to the issuance of a special exception for a residential child care, the applicant shall fulfill the notice requirements of Article 9: Board of Zoning Appeals and Article 11, Section 16: Public Notices. In addition, the applicant must send written notice of the application to the last known address of the owner of each adjacent property as shown on the current real estate tax assessment records of Loudoun County. If the proposed location of the residential child care is a member of a HOA, the applicant must also send written notice to such HOA. Any written notice shall be sent by certified or registered mail and must include the following information:

1. A statement that an application for a residential child care has been submitted to the Town;
2. The address of the property subject to the application for the residential child care; and
3. A statement informing the recipient that if they have any objection to the proposed residential child care that they can send a written objection, which shall include the specific issues that are the basis for their objection, to the Zoning Administrator who will transmit the written objection to the Board of Zoning Appeals. The address of the Zoning Administrator shall also be included in the notice letter.

iv. A residential child care shall comply with any and all applicable requirements of the Code of Virginia including, but not limited to, obtaining a State Family Day Home License.

v. A residential child care shall comply with any and all Town regulations, including, but not limited to, obtaining a Certificate of Occupancy and maintenance of a Town Business License.

vi. A residential child care shall comply with any and all requirements of the County and State Building Codes.

vii. A residential child care location shall be the principal residence of the residential child care provider.

AN ORDINANCE:

AMENDING ZONING ORDINANCE ARTICLE 4, SECTION 1 AND ARTICLE 15, SECTION 2 TO INCREASE THE MAXIMUM ENROLLMENT OF A RESIDENTIAL CHILD CARE AND ADD STANDARDS FOR THE USE.

- viii. A residential child care shall only be located within a single-family detached, duplex, or single-family attached dwelling.
- ix. The hours of operation for a residential child care shall be limited to five days a week between the hours of 6:00 AM and 7:00 PM.
- x. Two non-resident assistants/employees shall be permitted.
- xi. The applicant shall demonstrate availability of sufficient employee parking on-site or along the street. Alternatively, the applicant may utilize any available HOA community parking spaces for employee parking if the HOA provides certified documentation that the applicant is authorized to use such spaces.
- xii. Child drop off and pick up locations shall be designated to enhance the safety of children as they arrive and depart. A designated arrival and departure zone shall be located adjacent to the residential child care in such a manner that children do not have to cross a street to enter or exit the facility.
- xiii. A residential child care shall stagger pick up and drop off times such that there are never more than two vehicles picking up or dropping off at one time.
- xiv. There must be a continuous hard-surface pathway/sidewalk connecting the drop-off and pick-up locations to the entrance of the residential child care. The pathway shall be kept free of any snow or ice.
- xv. Seventy-five (75) square feet of outdoor play area must be provided on-site per child except as follows: No outdoor play area shall be required on-site when the applicant can demonstrate the residential child care is located within 1,000 feet of an existing park or playground that is at least twice the area otherwise required for the residential child care. The park or playground must be public or owned by the HOA to which the residence belongs and must be accessed without crossing an arterial or collector road. The applicant may only utilize a park or playground owned by the HOA if the HOA provides certified documentation that the applicant is authorized to use such space. The park or playground must be shown to scale on the diagram submitted at the time of application.
- xvi. Any outdoor play area must be enclosed by a fence with a minimum height of four feet.
- xvii. No play equipment shall be located within any required front yard or within five feet of any side or rear lot line.
- xviii. There shall be no change in the outside appearance of the dwelling or lot housing the residential child care nor other visible evidence of the conduct of a residential child care other than what may be required by the State Family Day Home License.

d. Special Event Support Requests

Danny Davis reminded Council that this item is being brought back from the previous meeting and includes what criteria each event might meet as well as historical amounts of what the Town has absorbed or has covered in previous years. Danny Davis confirmed that the Town has not received any requests for direct contributions.

Council member Lehr talked about understanding expenses and having the applicants pay the expenses versus the Town. Rob Lohr added that the ordinance addresses Council's concerns in getting closer to recovering some of the fees associated with events.

Council member Nave made a motion that Town Council support the following requests for event support:

1. Dragon Yong In World Mission Institute Tournament
2. Sadie's Race
3. Halloween Block Party
4. Turkey Trot

The motion was seconded by Council member Jimmerson.

Vice Mayor McConville stated he would like to see limits applied to each organizations request. Rob Lohr added that taxes and established fees cannot be waived however reimbursements can be made. Further discussion took place about the set fees and potential revenue coming to the Town for the events. Rob Lohr noted that food is the biggest value captured however takes away from the Town businesses but does bring people into Town, and added that that value may be able to be captured.

Council member Lehr made friendly amendment to the motion that all are approved as stated except for the actual fees. Council member Nave accepted the friendly amendment.

FEBRUARY 23, 2016**

**A RESOLUTION: TO SUPPORT LOCAL BUS SERVICE BETWEEN PURCELLVILLE,
LOVETTSVILLE, AND BRUNSWICK, MD**

WHEREAS, Loudoun County is soliciting suggestions for new Loudoun Connector Bus Routes to implement in future years; and

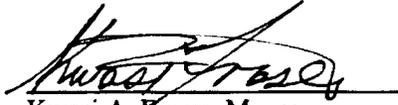

WHEREAS, the Loudoun County Countywide Transportation Plan expressly calls for transportation improvements to serve Loudoun's towns and for service linking Loudoun's towns' residents to commuter options; and

WHEREAS, the Town of Purcellville has been requested by the Town of Lovettsville to endorse a resolution passed by its Town Council supporting a route between Purcellville, Lovettsville, and the commuter MARC Train Station in Brunswick, MD; and

WHEREAS, such a bus route would provide mutual benefit to the Towns of Purcellville and Lovettsville with access to amenities and services, and such route may also serve to relieve traffic along Route 7 by helping provide additional commuting options.

NOW THEREFORE, the Town hereby endorses the suggestion of a new Loudoun Connector Bus route round trip from Purcellville through Lovettsville to the MARC Train Station in Brunswick, Maryland, and requests Loudoun County develop such a route in future bus plans.
