(Rescheduled from January 23<sup>rd</sup>)**

The Town of Purcellville is embarking on an update to our Comprehensive Plan, and the Planning Commission wants to know what is most important to you as we think about the future of Purcellville.

On Saturday, February 6<sup>th</sup> the Town will be holding two identical public meetings at the Carver Center (200 Willie Palmer Way, Purcellville, Virginia) to engage you in this important process. Each open house-style meeting will allow you to spend as much or as little time as you want sharing what you love most about your community and what you think are our biggest opportunities and challenges for the future. Children are welcome and encouraged to participate in the events.

These two meetings are the first in a series of community engagement meetings to be held over the next year that will allow you to help shape the vision for our community. While we hope you will be able to attend one of these meetings, the same activities will also be posted online through mid-February if you are not able to attend on the 6<sup>th</sup>.

More information is available online at [www.PlanPurcellville.com](http://www.PlanPurcellville.com), where you can follow the planning process and submit written comments.
