TREE REMOVAL AT FIREMAN'S FIELD

PURCELLVILLE, Va. March 15, 2016 — On Wednesday, March 16, 2016, the Town of Purcellville's Tree Contractor, Arbogast Lawn and Tree Inc. will be removing a white oak tree at Fireman's Field. This tree has been identified by our arborist as decaying.

The 13-acre Fireman's Field Park is located in the Purcellville Historic District and contains the town's most significant remaining urban forest populated with trees ranging in size from small dogwoods to centuries old white oaks.

While it saddens us to have to remove the tree, a new tree will be planted in its place to allow the next generations to continue to enjoy the beauty of the trees located within Fireman's Field. If you have any questions, please contact the Town of Purcellville's Maintenance Superintendent at (540)338-7440 ext. 220 or jdidawick@purcellvilleva.gov.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of nearly 8,300 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
