**TECHNICAL ADVISORY COMMITTEE MEETING SCHEDULED
33rd STREET AND COUNTRY CLUB DRIVE CUT THROUGH PILOT PROGRAM**

PURCELLVILLE, Va. JUNE 8, 2018 — The public is invited to attend the next meeting of the Technical Advisory Committee scheduled for Monday, June 11, 2018 at 6:30 PM at Town Hall.

The pilot programs are designed to provide more information about different options. There are several changing conditions that Town staff wants to evaluate such as the end of the school year, opening of the new commuter parking lot, opening of Alder School Road, and the start of school year with new students the fall. Therefore, Town staff will continue to monitor the situation through the summer and reassess based on data and other information.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of over 9,000 residents located in Loudoun County, approximately 40 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 10th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiques, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
