TOWN SEEKS CITIZEN INPUT
FOR WEBSITE REDEVELOPMENT

PURCELLVILLE, Va. July 24, 2015 — A Town task force committee is currently working on the redevelopment of the Town website and would like to ask the citizens and business owners of Purcellville for assistance. To identify key elements and features that will best meet the needs of the community, a survey is currently under construction that will provide an opportunity for input regarding website content and social media preferences.

A direct link to the survey will be available on the front page of the Town website www.purcellvilleva.gov Monday, August 3, 2015. Please take a few minutes to provide your feedback by completing the survey. The Town sincerely appreciates your assistance with this effort and we look forward to the future unveiling of a website that will serve as a dynamic gateway to Town services and information with streamlined navigation and ease of use, additional interactive forms, social media integration, and overall improvements in functionality.
