**10TH ANNUAL PUBLIC WORKS TRADE SHOW
WAS A GREAT SUCCESS!**

PURCELLVILLE, Va. October 19, 2015 — The Town of Purcellville Maintenance Department hosted its 10th Annual Public Works Trade Show on Friday, October 16, 2015 at the Town Maintenance Facility. This year's show was the largest to date with close to 30 vendors representing all types of industry equipment and materials, from public works software applications to large equipment. The Town expanded its invitations to public works staff in Virginia, Maryland and West Virginia and had over 25 jurisdictions represented and more than 200 persons in attendance. There were educational opportunities available at this year's show as well as the ever popular Public Works Demonstrations.

Town staff always enjoys meeting with their Public Works peers throughout the region, and this Trade Show offered that opportunity. Greg Schlemmer with the Town of Vienna was quoted as saying, "Networking with peers and vendors is essential to provide the best possible service to all our citizens."

If you are interested in being a vendor in next year's show or have any questions regarding the event, please contact Jennifer Noel, Operations Coordinator at jnoel@purcellvilleva.gov, (540) 338-7440 Ext. 221.
