## **COMPREHENSIVE PLAN MEETINGS RESCHEDULED**

### **FIRST MEETINGS FOR COMPREHENSIVE PLAN UPDATE RESCHEDULED TO SATURDAY, FEBRUARY 6 – 10:00 AM & 2:00 PM AT CARVER CENTER**

**PURCELLVILLE, Va. January 19, 2016** — Due to the potential for significant snowfall this weekend, the Town is rescheduling the comprehensive plan update meetings from January 23 to February 6, 2016.

Residents of the Town of Purcellville and all other interested persons are now invited to express their opinions about Purcellville's future and discuss updating the Town's comprehensive plan at two public meetings being held by the Purcellville Planning Commission on Saturday, February 6 at 10:00 AM and 2:00 PM in the Carver Center located at 200 Willie Palmer Way, Purcellville, Virginia. The meetings will be led by town staff and are expected to last approximately two hours each. Both meetings will cover the same topics with a focus on discussing the opportunities and constraints the Town may face over the next 20 years.

A comprehensive plan is an official public document adopted by the Town that articulates the community's vision for its future; it serves as a guide for decision-making and future development. The *Purcellville, Virginia 2025 Comprehensive Plan* was adopted by the Town in December 2006, and while many changes have occurred in Purcellville since its adoption, the comprehensive plan has not been significantly updated during that time. Because of this, Town Council has made updating the comprehensive plan a top priority in an effort to ensure that the plan's goals and policies continue to accurately reflect the needs and desires of Purcellville residents.

"For this effort to be successful, it is vital that the final plan accurately represents the community's vision for the future, so it is important for the citizens of Purcellville to be actively involved in updating their comprehensive plan from the very beginning," said Senior Planner Daniel Galindo. "We know that the Town's residents lead busy lives and that many commute long distances during the week, and by holding two separate meetings on a Saturday, we are hoping to make it easier for our citizens to participate in the update process."

These two meetings are the first in a series of community engagement meetings that the Town will hold in 2016 as it works to update the Town's comprehensive plan. The next meeting date is tentatively scheduled for March 19; the location has yet to be determined.
