CLEAN-UP AROUND PURCELLVILLE CONTINUES; TOWN OFFICES CLOSED ON TUESDAY, JANUARY 26, 2016

PURCELLVILLE, Va. January 25, 2016 — Town staff continue to work hard at keeping streets clear and expanding travel ways. We recognize that it can be very frustrating to have your driveway covered with snow again as the plows come by. However, continuing to plow the streets is important for widening travel lanes to improve traffic flow and support emergency response activities. In addition, plowing activities help prevent ice build-up and provide better access to drainage areas and infrastructure. We appreciate your patience as we deal with a historic amount of snow.

On Tuesday, January 26, 2016, Town Hall will once again be formally CLOSED on an emergency staffing plan. However, limited staff will be at Town Hall for any citizens that show up. For regular Town operational needs on Tuesday during business hours, please contact the Town offices at 540-338-7421.

Emergency operations and field operations will continue. Should you have a Public Works need during this time, please call 540-454-3629 or 540-454-3632.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of nearly 8,300 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
