REMINDER: UTILITY BILLS DUE MARCH 1, 2016

PURCELLVILLE, Va. February 16, 2016 — The Town of Purcellville reminds citizens, businesses, landlords, and tenants that utility bills are due by 5:00PM on Tuesday, March 1, 2016. Utility accounts are billed every two months for water and wastewater services provided by the Town of Purcellville.

Bills not paid in full by the due date will be subject to a 10% penalty. Bills that are not paid by 10 days after the bill due date – March 11, 2016 – will be subject to disconnect. In order to reconnect service, the entire bill plus penalty and a \$50 re-connect fee must be paid.

DID YOU KNOW?

Did you know that each gallon of water provided by the Town of Purcellville only costs about one penny to produce? Compared to a sixteen ounce bottle of water purchased at a store for one dollar, the Town's water is approximately 800 times cheaper than bottled water. Nonetheless, the Town continues to encourage residents to "Use Water Wisely" and consider conservation efforts, such as using refillable water bottles and tap water instead of bottled water, reducing shower times, and purchasing high-efficiency appliances.
