North 21st Street Project Remedial Work

PURCELLVILLE, Va. July 7, 2016 — Beginning the week of July 11, 2016, Arthur Construction Co., Inc., with inspection services by the Virginia Department of Transportation (VDOT), will begin remedial work on the storm sewer along the west side of N. 21st Street, between the W&OD Trail and Branbury Court. Total construction time is anticipated to take approximately 6 weeks. During this period, the contractor will be working in the roadway from 8:00 am to 3:00 pm, Monday-Friday. The contractor will be utilizing a single lane closure with flaggers to direct traffic in the southbound direction during this period. Closures of the sidewalk will affect pedestrian traffic.

Access to businesses in this area will be maintained, although certain entrances may be affected at various times. Local residents and patrons are asked to be aware of work zones and to be alert for changes in traffic patterns in areas where work is being performed.

The work being conducted is to remediate improperly installed storm sewers on this section of N. 21st Street, which were installed as part of the Town's N. 21st Street Sidewalk and Drainage Improvement project. VDOT will be providing on-site inspection services throughout the duration of the construction. Town staff are not managing or inspecting the remainder of this project. Questions about the work and activity should be directed to VDOT.

In case of inclement weather, this work may be postponed.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of nearly 8,500 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
