## **ELLIOT DRIVE CURB PAINTING**

**PURCELLVILLE, Va. (September 28, 2016) —**

With the new school year upon us the Town staff has identified the southern portion of Elliot Drive as requiring safety enhancements to protect students using the Blue Ridge Middle School crosswalk and neighbors exiting and entering their drive ways. The Town will be painting the curb yellow in the vicinity of the cross walk in order to achieve the following safety improvements:

1. Improve sight distance on the curve.
2. Improve sight distance for the crosswalk.
3. Improve sight distance for driveways in this area.
4. Improve the hydrant restricted zone.

The Town will be making these improvements starting Tuesday, October 4, 2017 at 9:00 am and ending October 4, 2017 at 12:00 pm. During this time, we will enforce no parking in the work zone. Please drive with caution, watch for turning or stopping vehicles including construction equipment, and to be alert for changes in traffic patterns in areas where the curb painting is being performed.

If you have any questions, please feel free to contact me at (540)751-2314 or [avanegas@purcellvilleva.gov](mailto:avanegas@purcellvilleva.gov).

### **The Town of Purcellville, Virginia**

Purcellville is an award-winning town of nearly 8,500 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiques, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
