**“PEDESTRIAN CROSSWALK FLAGS” PILOT PROGRAM  
AT MAIN STREET AND N. 21<sup>ST</sup> STREET**

**PURCELLVILLE, Va. May 2, 2017**— The Town of Purcellville is pleased to announce a new pilot program that is intended to enhance pedestrian visibility and safety. This program uses “Pedestrian Crosswalk Flags” to give pedestrians an additional way to signal their intent to cross a roadway. This pilot program is located at the two crosswalk locations on Main Street at its intersection with N. 21<sup>st</sup> Street. The Town Council initiated this new public safety pilot program based on the successful use of this idea in communities throughout the country.

At these two crosswalks, pedestrian flags have been placed in a holder that is mounted to the crossing sign. As shown in the photograph below and described with signage at each location, the pedestrian should take a flag and signal intent to cross the roadway. Once the driver of the approaching vehicle has acknowledged and stopped, the pedestrian should cautiously cross while carrying the flag, making sure to also ensure traffic from the other direction has similarly stopped. Once the pedestrian has completed crossing the road, please be sure to replace the flag in the holder for use by the next pedestrian.

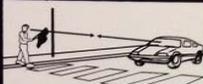

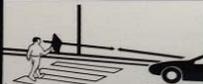

The Town reminds citizens that flags are only a safety measure, and we always recommend to look both ways before stepping into a crosswalk, make good eye contact with drivers, and have the driver’s attention before crossing the roadway. It is the pedestrian’s responsibility to ensure that a driver can safely stop his or her vehicle before the pedestrian enters a crosswalk.

The Town also asks our residents and our motorists to always be on the lookout for pedestrians in our roadways. It is a state law that drivers must stop for pedestrians in a crosswalk. Over the past few months, the Public Works Department has upgraded signs at crosswalk locations throughout the Town to enhance awareness of pedestrians. In addition, the Purcellville Police Department has been focusing efforts on pedestrian safety and will be ticketing drivers who fail to yield. Through this new pedestrian flag program, the Town believes that pedestrian visibility and safety will be increased.

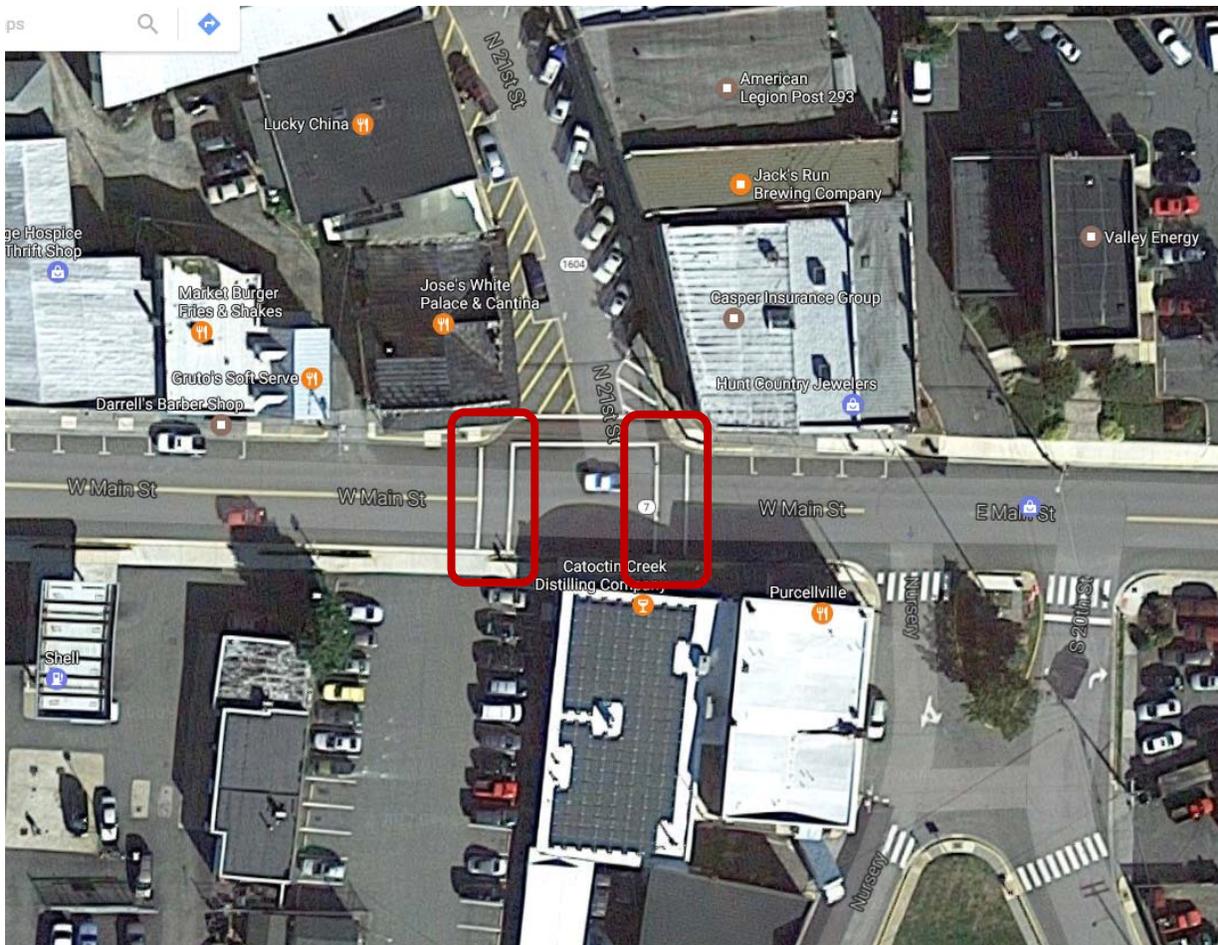

The Town will be working with local groups to develop a safety video to demonstrate proper use of the flags and safety practices for crossing busy roadways. In addition, based on the success of this pilot program, additional locations for pedestrian flags may be added in the coming months.

If you have any questions, please contact the Public Works Department at (540) 338-5024.

### HOW TO USE CROSSWALK FLAGS

	SIGNAL TO DRIVERS ON YOUR LEFT.
	WHEN TRAFFIC ON YOUR LEFT HAS STOPPED, PROCEED WITH CAUTION. LOOK BOTH WAYS.
	AS YOU APPROACH CENTER OF ROAD, SIGNAL TO DRIVERS ON RIGHT.
	WHEN TRAFFIC ON RIGHT HAS STOPPED, COMPLETE YOUR CROSSING.
	RETURN FLAG TO HOLDER.

- ONE FLAG PER GROUP
- THESE FLAGS ARE HELPFUL TOOLS, BUT REMEMBER, USE NORMAL CAUTION AND GOOD JUDGMENT WHEN CROSSING THE STREET WITH OR WITHOUT A FLAG.

Location of crosswalks on Main Street at N. 21<sup>st</sup> Street. Map courtesy of Google Maps.

**The Town of Purcellville, Virginia**

Purcellville is an award-winning town of nearly 9,000 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
