## **21<sup>ST</sup> AND 23<sup>RD</sup> STREETS PAVEMENT CROSSWALK MARKING**

**PURCELLVILLE, Va. December 21, 2018**—Paving on 21<sup>st</sup> and 23<sup>rd</sup> Streets has been completed, and the Town of Purcellville has installed temporary crosswalks. Decorative, completed crosswalks will be installed in the spring when the outside weather temperatures are warmer and allow for installation.

Local residents are encouraged to use the current temporary crosswalks at the designated locations marked by markings and signage when crossing 21<sup>st</sup> and 23<sup>rd</sup> Streets until the completed crosswalks are installed.

### **The Town of Purcellville, Virginia**

Purcellville is an award-winning town of over 9,000 residents located in Loudoun County, approximately 40 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 10th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
