**A STREET TRAIL FROM BLUE RIDGE MIDDLE SCHOOL
TO SOUTH MAPLE AVENUE**

PURCELLVILLE, Va. January 23, 2018 — Beginning on January 29, 2018, survey crews with Bowman Consulting and GeoConcepts Engineering will be collecting field data along A Street, from Blue Ridge Middle School (BRMS) to South Maple Avenue. This work is being done as part of the preliminary design for the construction of the missing segment of trail along A Street from BRMS to South Maple Avenue. Bowman and GeoConcepts' vehicles are clearly marked and employees will carry identification which they will produce upon request. In the event of inclement weather, this schedule may change.

The Town of Purcellville, Virginia

Purcellville is an award-winning town of over 9,000 residents located in Loudoun County, approximately 40 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 10th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
