Purcellville, VA, April 12, 2019 — Join the Purcellville Parks and Recreation Advisory Board for a free nature walk at the Chapman DeMary Trail on Sunday, April 28 at 1 p.m. The guide for this walk is Carol Ivory, a Loudoun County Master Gardener and Loudoun County Tree Steward. She will start the walk at the Chapman DeMary Trail, then lead the group to the Sue Kane Nature Preserve. Along the way, she will identify wildflowers and share information about the unique life cycle of these plants and their survival strategies in adverse conditions. Carol has led many nature walks at the Chapman DeMary Trail and helped with projects to restore and enhance the habitat. [Register online to attend](#) this walk.

The Chapman DeMary Trail is a 10-acre area considered to be the last stand of old-growth forest in the Town of Purcellville. The Town of Purcellville holds the conservation easement for this privately-owned property. The entrance and parking for the Chapman DeMary Trail is behind the building at 205 East Hirst Road in Purcellville.

The Discover Nature's Secrets guided nature walks are held the last Sunday of each month. Throughout 2019, walks will be led by experts from The Piedmont Environmental Council, the Virginia Department of Forestry, Loudoun County Tree Stewards, Loudoun Wildlife Conservancy, and a variety of other experts.
