21ST AND 23RD STREETS PAVEMENT CROSSWALK MARKING

PURCELLVILLE, Va. July 11, 2019— The Town of Purcellville’s Contractor, Alternative Paving Solutions, will be installing decorative crosswalk markings on 21st and 23rd Streets. The crosswalk marking work will begin on Monday, July 15, 2019 through Wednesday, July 17, 2019, weather permitting. To conduct the crosswalk marking operations, the contractor will be utilizing flagging operations and have alternating single lanes of traffic occurring between the hours of 8:00 am and 4:00 pm.

Local residents are asked to be aware of work zones, drive through with caution, watch for turning or stopping vehicles, entering and exiting construction traffic, and to be alert for changes in traffic patterns in areas where the paving is being performed.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
