32ND & A STREET INTERSECTION NOW A ROUNDABOUT

PURCELLVILLE, Va. July 12, 2019 — Beginning the evening of July 12, 2019, the intersection of S. 32nd Street (also known as Silcott Springs Road or Route 690) and A Street will begin to operate as a single-lane roundabout. This new traffic pattern is part of the Town's project "32nd & A Street Intersection Improvements," which is being funded by VDOT Revenue Sharing funds and NVTVA funds.

As the intersection is still under construction, temporary signs and markings will be in place when the Town's contractor is not working. During working hours (Monday-Friday, 7:30 AM – 4:30 PM), please follow the flaggers' directives.

Construction is expected to be complete by the end of the summer, but in case of inclement weather or unforeseen events, this schedule may change.

Please be aware of work zones and be alert for changes in vehicular and pedestrian traffic patterns in areas where work is being performed.

The Town of Purcellville, Virginia

"Purcellville-your small Town, where history and progress intersect and people prosper," is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiques, equestrian activities, farmer's markets, wineries, breweries, distilleries and restaurants.
