PURCELLVILLE, Va. November 15, 2019 — This week, the Town of Purcellville became aware work would begin Monday, November 18 on the Jackson's Run residential development, located west of the A Street/Silcott Springs roundabout, outside of the Town of Purcellville's corporate limits. This development, approved by Loudoun County September 27, 2019, will have a gross density of one house per three acres. Town utilities are not being extended to this property.

No street closures are anticipated during this period; however, there may be intermittent impacts to traffic.

As this project is under the jurisdiction of Loudoun County. All inquiries should be directed to Loudoun County Building and Development, 703-777-0220.

The Town of Purcellville, Virginia

"Purcellville-your small Town, where history and progress intersect and people prosper," is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is recognized as one of the safest towns in Virginia. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer's markets, wineries, breweries, distilleries and restaurants.
