REMINDER - APERIOMICS TO CONDUCT COVID-19 INFECTION AND ANTIBODY TESTS

PURCELLVILLE, Va. - June 18, 2020 – The Town has made it possible for Aperiomics to provide testing to citizens **tomorrow, Friday, June 19, 2020, from 9am to 7pm** outside the former Rite Aid location (801 E. Main Street, Purcellville) on the corner of East Main Street and Ken Culbert Jr. Road, in Purcellville.

Aperiomics will be administering **both RT-PCR Tests for active infection along with IgM/IgG Antibody tests for COVID antibodies**. Both tests can be performed quickly, with results returned in 12-72 hours. By looking for both current infections and developed antibodies, public health officials can achieve a more complete picture of how the virus has spread in the community, including who may have previously been exposed and recovered.

Participants in this event will pay **\$150** for both virus and antibody testing. Those tested will get a superbill that can be submitted for potential insurance reimbursement if they meet medical guidelines for reimbursable testing. Aperiomics will bill Medicare for participants who have Medicare.

Please contact Amber King, Director of Clinical Sales, Aperiomics at 703-229-0406x809 or 540-219-5241 with any questions you may have.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is ranked “Safest City” in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
