NURSERY AVENUE SURVEY

PURCELLVILLE, Va. July 6, 2020 — On July 7, 2020, the Town’s Contractor, ATCS, will be performing survey work along S. Nursery Avenue from S. 20th Street to School Street. This survey work is in advance of the upcoming Nursery Avenue Roadway & Drainage Improvements project, but is not the start of construction. The survey work is only expected to last one day, although the schedule may change due to inclement weather or unforeseen events.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is ranked “Safest City” in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
