**CONNECTION OF NATURE PARK WELLS PROJECT  
NOTICE OF PROJECT START & TRAIL CLOSURE**

**PURCELLVILLE, Va. July 6, 2020** — Beginning July 13, 2020, the Town’s Contractor, TMG Construction Corporation, will begin work on the Connection of Nature Park Wells project. The project will connect two existing test wells to the Nature Park Water Treatment Plant, thereby increasing the Town’s drinking water supply.

The two wells are located on the Town’s Nature Park property, which extends between Hatcher Avenue and N. 21<sup>st</sup> Street along South Fork Catoctin Creek. The “Nature Park Trail” located on the property will be closed during construction. Construction is expected to last through September, although the schedule may change due to inclement weather or unforeseen events.

**The Town of Purcellville, Virginia**

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 12<sup>th</sup> year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is ranked “Safest City” in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiques, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
