PURCELLVILLE, Va. April 29, 2021 — Monday, May 3, 2021, the contractor for BIA Kitchen, MAR Development., will be installing a fire line and domestic water service in front of 108 North 21st Street. During this work the water main in N. 21st Street will be shut down and water service will be interrupted for the businesses and residents along N 21st Street, generally between O Street and Main Street. The hours for the interruption will be from 9:00 PM on Monday, May 3rd to 5:00 AM Tuesday May 4th. The work will take place within the parking spaces along 21st Street so minimal impact to vehicular traffic is anticipated. Pedestrian traffic will be routed around the work zone for safety.

This schedule may change due to inclement weather or other unforeseen circumstances. Residents and motorists are asked to be aware of work zones and alert for changes in vehicular and pedestrian traffic patterns in areas where work is being performed.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 13th year. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
