WORK IN THE TOWN'S RIGHT OF WAY

PURCELLVILLE, Va., July 16, 2021 —Starting on or around Thursday, July 22, 2021, contractors for Lumos Networks, Inc. will mobilize on North Maple Ave. within the Town's right of way to prepare for the placing of underground fiber from the fire station to Loudoun Valley High School. The work is expected to take place between the hours of 8:00 am and 4:00 pm, and will take approximately two weeks to complete.

Please be aware of work zones and be alert for changes in vehicular and pedestrian traffic patterns in area where work is being performed. In case of inclement weather or unforeseen circumstances, this schedule may change.

The Town of Purcellville, Virginia

"Purcellville-your small Town, where history and progress intersect and people prosper," is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 13th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is ranked "Safest City" in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer's markets, wineries, breweries, distilleries and restaurants.
