**PUBLIC INFORMATIONAL MEETING
G STREET SIDEWALK IMPROVEMENTS**

PURCELLVILLE, Va. September 15, 2021 — The Town will hold a public informational meeting on the proposed G Street Sidewalk Improvements, a pedestrian safety project for which the Town is planning to submit a grant application to the federally funded program, Safe Routes to School. The meeting will be held **Tuesday, September 28, 2021 from 5:00 PM to 6:00 PM** both in-person at Town Hall and simultaneously via GoToMeeting (details below). Copies of the conceptual design documents will be available for review, and personnel will be available to answer questions at that time.

The project proposes to construct a missing section of sidewalk along East G Street, between East E Street and 604 G Street where existing sidewalk presently starts/ends. The proposed sidewalk borders Blue Ridge Middle School allowing pedestrians to safely reach the school or simply make the connection between E Street and Maple Avenue.

The Town of Purcellville ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. Hearing assistance is also available for meetings in the Town Council meeting room. If you require any type of reasonable accommodation, as a result of physical, sensory or mental disability to participate in these meetings, please contact Diana Hays, Town Clerk at (504) 751-2334. Please provide three days notice.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for its green initiatives with most recently being the Tree City USA recipient for the 13th year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and is ranked “Safest City” in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
