TOWN OF PURCELLVILLE LEAF COLLECTION
Resident Reminder for Proper Leaf Disposal

PURCELLVILLE, Va. October 22, 2021 — As a reminder, residents may dispose of leaves and other yard debris by placing them in containers clearly marked “Yard Waste” or other disposable bags and placing them at the curb to be picked up on regularly scheduled trash days by the Town’s Refuse and Recycling Contractor, American Disposal.

At this time the Town does not offer a leaf collection service. Leaves and other foreign matter should not be swept into the street as they make their way into the storm drains and significantly compromise the system.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of over 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the 2021 Virginia Municipal League Innovation Award for Environmental Sustainability and in years past, the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for innovation and green initiatives. The Town most recently received the Tree City USA Award for the 14th consecutive year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and was ranked “Safest City” in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
