32ND STREET SIDEWALK

PURCELLVILLE, Va. November 18, 2022 — Beginning the week of November 21, 2022, the Town’s Contractor, A&M Concrete Corporation, will commence construction on the 32nd Street Sidewalk project. This project will install a missing section of sidewalk on the western side of S. 32nd Street from K Street towards the 7-Eleven on West Main Street, where it will tie-in to the existing asphalt path installed by Blue Ridge Estates. Project funding is from Loudoun County Capital Improvements Program funds awarded to the Town for completing pedestrian linkages.

Work will generally occur Monday through Friday, between the hours of 9:30 AM to 3:30 PM. The Contractor will utilize flagging operations and single lane closures during working hours. Total construction time is expected to last 1 month. This schedule may change due to inclement weather or other unforeseen circumstances.

Residents are asked to be aware of work zones and alert for changes in vehicular and pedestrian traffic patterns in areas where work is being performed.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of approximately 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the 2021 Virginia Municipal League Innovation Award for Environmental Sustainability and in years past, the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for innovation and green initiatives. The Town most recently received the Tree City USA Award for the 14th consecutive year. The Town was reaffirmed as a AAA rated community by S&P Global Ratings, the highest credit rating possible, and was ranked “Safest City” in Virginia in 2020. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiques, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
