PURCELLVILLE, Va. January 27, 2023 — The Town of Purcellville’s Contractor, Visu-Sewer will be performing sewer manhole lining work on West J Street, South 29th Street, South 26th Street, West K Street and South Nursery Avenue. The work will begin on Monday, January 30th and the work will last through Friday, February 3rd, between the hours of 9:00am and 3:00pm, weather permitting. In order to conduct the sewer manhole lining, the contractor will be utilizing flagging operations and have alternating single lanes of traffic. The town asks that only local traffic utilize these streets during these days and times.

Local residents are asked to be aware of work zones, drive through with caution, watch for turning or stopping vehicles, entering and exiting traffic, and to be alert for changes in traffic patterns in areas where the sewer work is being performed.

The Town of Purcellville, Virginia

“Purcellville-your small Town, where history and progress intersect and people prosper,” is an award-winning town of approximately 10,000 residents located in Loudoun County, approximately 50 miles west of Washington, DC. Having received the 2021 Virginia Municipal League Innovation Award for Environmental Sustainability and in years past, the prestigious Siemens Sustainability Award for Small Communities, Purcellville continues to be honored for innovation and green initiatives. The Town most recently received the Tree City USA Award for the 14th consecutive year. Once a stop along the W&OD rail line, which has been converted to a multi-use trail from Alexandria, VA to Purcellville, the Town has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, equestrian activities, farmer’s markets, wineries, breweries, distilleries and restaurants.
